

## **Trustee Representation Letter**

We have made investments for the members of the Fund and fully understand all the investment risks for each investment, including loss of capital. In conducting your audit we are aware you will not be checking the liquidity of the Fund assets, the nature or class of investments, nor their suitability to our investment strategy. If any assets of the fund fail and capital is lost, we will not be taking any action for damages against you under section 12GF of Australian Securities and Investments Commission Act 2001. However, as an auditor, we understand it is your duty of care to inform us, if you notice any investments are not recoverable.

In conduct of your audit, it is not expected you form an opinion and report to us if the Fund is making or likely to make an economic loss or the Fund's assets are getting damaged or likely to get damaged due to conduct of any other person who we rely for investment decisions or appoint as custodians or investment manager. We understand your appointment is to audit the Fund's financial report and not to audit entities where this Fund invests, for example custodian services, unrelated trusts, companies or other entities.

## **AUDIT ENGAGEMENT LETTER**

As you aware each investment has multiple risks, including loss of capital. In conducting our audit, we will not be checking the liquidity of the Fund's assets, the nature or class of investments, nor their suitability to the Fund's investment strategy. If any asset's capital is lost, due to any reason, we will not be responsible for any damages under section 12GF of Australian Securities and Investments Commission Act 2001. You are responsible for investing the Fund's assets and you should take full care of those investments. However, as an auditor, it is our duty of care to inform you, if in our opinion, we notice any investments are not recoverable. Please note many investments are complex in nature and we are not trained as SMSF auditors to analyse each investment, hence you should not entirely rely on our opinion.

In conduct of our audit, we are not required to form an opinion and report to you if the Fund is making or likely to make an economic loss or the Fund's assets are getting damaged or likely to get damaged due to conduct of any other person who you rely for investment decisions or appoint as custodians or investment manager. We are appointed to audit the Fund's financial report and not to audit entities where this Fund invests such custodian services, unrelated trusts, companies or other entities.

## **AUDIT MANAGEMENT LETTER**

You are responsible for investing the Fund's assets and you should take full care of those investments. It is my duty of care to inform you, if in my opinion, I notice any investments are not recoverable. Please note many investments are complex in nature and I am not trained to analyse each investment, hence you should not entirely rely on my opinion.

I am not required to form an opinion and report to you if the Fund is making or likely to make an economic loss or the Fund's assets are getting damaged or likely to get damaged due to conduct of any other person who you rely for investment decisions or appoint as custodians or investment manager. My audit was limited to this Fund's financial report and not to entities where this Fund invests such custodian services, unrelated trusts and companies, or other similar entities.
